

## Academic Calendar Deadlines - 2025/2026

### Administrative Withdrawal

To ensure that all available class seats are filled with students, COCC enforces an attendance policy. Students must attend the first class meeting and 100 percent of the first week's class and lab meetings. (For classes that do not span the entire term the student must attend the first class session.)

Faculty should use Faculty Bobcat Web Account to print two class rosters the first week of term (Monday and then again on Wednesday). If a student misses ANY class session during the first week's classes without notifying you, draw a line through the student's name (please do not cross off the student ID number), initial next to it, and submit the two rosters to Student Records. Detailed instructions will be emailed to all instructors by Enrollment Services on the first day of each term.
