- Credit certification for education benefits is automatic once you register for classes. Contact your certifying officials with any questions or concerns.
- If you have prior college credit, it is highly recommended students send their official prior college transcripts to COCC to be evaluated for credits that may apply toward your degree at COCC. It is best policy to submit transcripts prior to your first term registration to prevent course duplication.
- Students using VA educational benefits are expected to adhere to the Academic Warning Policy for Central Oregon Community College. Students are considered to be in good standing if they earn a minimum 2.0 GPA each term.

*I have read the above information and understand my responsibilities and obligation to remain in good standing and maintain my certification for VA educational benefits.*
