

ASSOCIATE OF APPLIED SCIENCE IN NURSING FALL 2026 APPLICATION INFORMATION AND STATISTICS

2027 Application Deadline

Applications are due at 5:00 p.m. on April 30, 2027. Applicants must complete all course requirements no later than 5:00 p.m. on the Monday following Spring term finals: June 14, 2027. Only completed and submitted applications received by the deadline will be considered for selection. Applications will be available online at the beginning of Spring term 2027.

Applicant Responsibility

You are solely responsible for ensuring that you meet all application requirements before the application deadline. You should attend a nursing program information session and review your GradTracks information to confirm progression towards application requirements (ensure you are looking at the most current catalog year).

- This includes ensuring COCC has received official transcripts from all institutions attended
- For courses in progress Spring term at other institutions, the process outlined in the handbook must be followed and completed

It's highly recommended that you work closely with your advisor to ensure application and degree requirements are part of your overall academic plan.

Competitive Admission

Admission to COCC's Nursing program is competitive and enrollment is limited. In 2025, 140 students applied for 52 positions in Bend Cohort and 8 positions in the Madras Cohort. In 2026, 150 students applied for 47 positions in the Bend Cohort and 7 positions in the Madras Cohort. The number of students admitted to the nursing program is determined annually based on the number of alternates from the previous year and program space.

The tables below give information on students admitted to the 2025 and 2026 Nursing programs. Students should use this information as a guideline for evaluating their chances of gaining admission into COCC's program.
