Mid-term Grade Report for Prerequisite Courses

Students taking Veterinary Technician program prerequisite courses during Spring Term are **required** to submit mid-term grades at the time of application. Please bring this form to your current instructor and have the instructor **sign the form** and indicate your current grade and/or academic standing. (Use as many copies as you need.) Please note instructors must provide a letter grade. If you are accepted into the Veterinary Technician Program, any required courses in progress at the time of application must be passed with a grade of “C” or higher in order to begin the Veterinary Technician program.
